AUTUMN LIGHTS
 STRUCTURE
 Balanced plain weave with hand-worked leno borders.
 EQUIPMENT
 Schacht Cricket Loom, 10-dent Cricket rigid heddle reed, 1 stick shuttle or mini boat shuttle.
 YARNS
 Warp: Lorna’s Laces Pearl (51% silk/49% bamboo; 220 yd/3.5oz) in #409 Rockwell, 200 yards.
 Weft: Lorna’s Laces Pearl (51% silk/49% bamboo; 220 yd/3.5oz) in #909 Sheridan, 150 yards.
 WARP
 Warp length: 90”, which allows 18” for loom waste, fringe, and 70” woven length.
 Warp ends: 80
 Width in reed: 8”
 EPI: 10
 PPI: 10
 Finished Length: 65”
 Fringe length: 4”
 WARping
 Using Rockwell, warp 80 ends.
 We used the direct peg warping method.
 WEAVING
 Leave about 7” for twisted fringe. Use Sheridan as weft throughout. On your first pick,
 leave a tail 3-4 times the width of the warp for hemstitching. Weave about an inch, and then
 hemstitch the end of the scarf. Weave 4” and then place the
 heddle in neutral to make the border. Work 1:1 leno (see box
 below) all the way across the warp.
 Beat the next pick into place
 about ½” from the previous pick. Weave your next pick and again
 beat gently into place about ½”
 from the previous pick, creating
 an open pattern. Weave four
 more picks, and work another
 row of leno. You will now have
 two full pattern rows of leno.
 Weave about 56” of plain weave
 and then repeat the above in-
 structions to create a matching
 leno border. Finish with 4” of
 plain weave and then hemstitch
 the end of the piece. Cut off the
 loom, leaving plenty of extra
 warp for a twisted fringe.
 FINISHING
 Work a twisted fringe with two
 sets of three yarns for each
 finished twist. After creating the
 fringe, wash by hand in mild
 soap. Lay flat to dry. Steam press
 on high heat using a lot of pres-
 sure. Wear with panache.

This fun and shiny project weaves up quickly and makes a
wonderfully wearable scarf. Lorna’s Laces Pearl yarn blends
silk and bamboo and produces a wonderfully lustrous fabric.
Enjoy the weight of this scarf this autumn and winter, and
relish the leno accents on each end. Our Autumn Lights scarf
would be lovely worn atop a coat or sweater. Designed and
woven by Ceil Lambert.

LOOM
The Cricket Loom from Schacht

YARNS
Pearl, hand-dyed yarn from Lorna’s Laces

LEN0 is a lace weave made by twisting
warp threads around each other. For
this scarf, we worked the 1:1 leno on
a closed shed. For more about leno,
please see The Weaver’s Idea Book by
Jane Patrick.
